

# Shot clock with Game time – SHOTS-ST

- OES' SHOTS-ST see-thru shot clock is the perfect basketball accessory for your gymnasium or practice facility.
- Built same OES clock technology used by the NBA and NCAA.
- Shot clock sets seamlessly integrate with any OES scoring system or can operate independently from existing scoreboard.
- This double sided shot clock features a game time displays up to 99:59. Both the game time and shot clock time will automatically display 1/10 of a second when either clock is less than 1 second.
- Choose from stand alone or wall mounted options.
- Include built in horns and outputs to control optional back board strip lights.

## Digit Colors

Our scoreboard digits are built with higher intensity LEDs and incorporate more LEDs per digit than other companies. The result is brilliant and superior viewing experience from almost any angle and distance. Choose from five standard digit colors including our renowned, ultra-bright white at no added cost.

Whether it's a scoreboard with one digit color or a mix and match of options, OES LED digits will set your scoreboard apart from the crowd.

## Enclosure Colors

Our scoreboard enclosures are known for their color brightness, fade resistance and durability. Choose from a variety of popular enclosure colors to make your scoreboard stand out.

Don't see your ideal color choice? We'll use our custom color-matching process to determine the perfect color match.
