*OES Inc. certainly hit a home run as a valued partner of the Niagara 2022 Canada Summer Games. Through their digital scoreboards, OES enhanced the live experience for fans, creating meaningful connections with spectators before, during, and after matches and cultural events. Fans were kept up-to-date on what was happening in real-time and in a fun, creative and engaging way through digital technology. Thanks OES for your professionalism, can do approach, and extraordinary support of the Games!*
