

OUTDOOR LED VIDEO

Whether its a full LED video display or a static scoreboard and video display combination, we offer an outdoor option to suit every venue size and budget. We truly have options for every outdoor application. If you can **dream it**, we can produce it!

OUTDOOR APPLICATIONS DESIGNED TO WITHSTAND THE HARSHEST ELEMENTS:

- Schools, colleges and universities
- Outdoor sports arenas and fields
- Exterior digital signage
- Casinos and gaming palaces
- Malls and shopping centers
- Community centers
- Convention and exhibition centers
- Museums and science centers
- Theme parks and attractions
- Broadcast and movie production
- Public transportation areas
- Race tracks

OUTDOOR LED VIDEO

Pixel Pitch	Brightness	Viewing Angle	Service (Front, Rear, Both)	Life Expectancy	Working Temperature
2.97 mm	5,000 NITS	160°V x 160° H	Both	100,000 Hours	-30-60° (-22-140° F)
3.91 mm	6000 NITS	160°V x 160° H	Both	100,000 Hours	-30-60° (-22-140° F)
6.67 mm	6000 NITS	160°V x 160° H	Both	100,000 Hours	-20-60°C (-4-140° F)
8 mm	6500 NITS	160°V x 160° H	Both	100,000 Hours	-30-60° (-22-140° F)
10 mm (Most Popular)	6500 NITS	160°V x 160° H	Both	100,000 Hours	-30-60° (-22-140° F)
