

Baseball & Softball Solutions

Any Venue. Any Sport. Any Time.

From the Major league to little league and every league in between, you'll find our solutions quite literally lighting up the game. We bring the pro venue expertise to every customer we partner with. Here are a few of the reasons why you'll want to partner with us:

Choice of the Pros

OES is one of a select few scoreboard companies approved for scoring and timing by the NBA, NHL, CFL, NFL, MLS, and MLB.

For years we've been part of their facilities, special events and on-going efforts to enhance the game for players and fans alike. We bring our pro venue expertise to every customer we work with.

Commitment to quality

With shatter-proof panels, brighter LEDs, weather-proof coatings, and superior components, we build our scoring and video display products to perform even in the harshest of conditions. Our attention to quality and durability protects a school's investment and increases the lifespan of the scoring solution.

Industry leading LEDs

OES digits are built with higher intensity LEDs and incorporate more LEDs per digit than any other company. The result is brilliant and superior viewing experience from almost any angle and distance. As a bonus, our ColorCast and ColorCast Pro technology brings an unrivaled selection of LED color options to customize your scoreboard.

If you can imagine it; OES can design it

We can customize our scoring, video and timing products to any size, shape, color and mounting option. With design, manufacturing and assembly all completed in-house, our ability to meet unique requirements, without sacrificing quality, is unmatched.

Let OES bring our impressive indoor and outdoor scoreboard and video display experience to you.

Captivating LED video displays

For over 40 years, OES Scoreboards has been creating eye-catching LED video displays and scoreboards that are guaranteed to elevate your entertainment experience. Made using the highest quality LEDs for crystal clear viewing, these custom displays and scoreboards are created in our state of the art world class manufacturing facilities by world class engineering and production teams.

Unbeatable service reputation

Our dedication extends beyond installation; we also offer a suite of services that range from providing spare parts to delivering local on-site support or remote phone assistance. We take immense pride in ensuring that our customers are always primed for success and ready to take the game to the next level.

Video Displays. Scoreboards. Scoring & Timing.

About OES Scoreboards

Founded in 1980 to provide technology support services, OES Inc. soon began developing its own technology solutions. It successfully brought many products to market for mission-critical applications in the environmental, healthcare, vehicular, agricultural, and defense industries.

In 1994, OES Inc. harnessed its innovation expertise and pioneering technology methods to craft its inaugural LED scoreboard, giving birth to OES Scoreboards. Since that milestone, we have consistently upheld our reputation as a frontrunner in innovation within the scoring and timing domain.

Today, our scoreboards, video displays, and scoring and timing technology solutions are prominently featured in venues throughout North America. Keep an eye out for OES scoring and timing solutions at your stadium, arena, field, or venue, as we continue to make strides in enhancing the sporting and event experience.

Contact OES Scoreboards to hear how we can bring our Pro facility experience to your school.
